

April Claim Substantiation Study Recruit Cost Estimate

February 17, 2006

The following will confirm details of the recruiting for the two-day Claim Substantiation Study:

Methodology:

- Recruit 200 consumers for 100 to show for a two-day study to be held at RJRT's R&D building.
 - 75% or 150 of the recruits should be non-smokers
 - 25% or 50 of the recruits should be smokers
- Other screening criteria includes:
 - 21-49 years of age
 - Standard security screening
 - Must agree to smell a small amount of tobacco smoke
 - Cannot be currently participating in any other cigarette research
 - Attempt to recruit an even split of ages (21-34 & 35-49) and gender within smokers and non-smokers
- The study will be held on April 26th and 27th with a morning session (10:00-11:00 am) and an afternoon session (2:00-3:00 pm)
- Recruited consumers will attend one session on each of the two days. We will try to recruit consumers to attend the same session time on each of the two days.
- Gratuity of \$75 will be paid for participating on both days

BRI Responsibilities:

- Recruit 200 consumers for 100 to show that meet the criteria listed above with an even split between the two session times available
- Place reminder calls and send reminder letters with directions to the facility
- Provide hostess for check-in and payment of gratuity on both days
